**10<sup>th</sup> October 2025**

Departments of Chemistry & Analytical Chemistry organized Workshop on **10<sup>th</sup> October 2025**. The title, “Workshop for Secondary School Students on Safety Aspects in Laboratory”. Sponsored under DBT Star College Scheme for Swiss Academy English School (Proposed I.C.S.E.) 10<sup>th</sup> standard students. The Chief Guest was Mr. Amol A. Vibhute and Resource Person of this workshop Dr. G. B. Gundlewad. He nicely explained Chemistry lab safety involves wearing proper PPE (goggles, lab coat, gloves), avoiding food/drink, knowing emergency exits/equipment (eyewash, fire extinguisher), handling chemicals safely (fume hoods, proper disposal, labeling), and never working alone or leaving experiments unattended, with key rules emphasizing cleanliness, order, and immediate reporting of incidents to prevent accidents and contamination. All 10<sup>th</sup> class students were attended the workshop. It is very useful, fruitful and beneficial for students.
