### **Excursion Tour Report**

**Under DBT Star College Scheme**

**Organized by Department of Zoology and Fishery Science**

**Maharashtra Fish Seed Production centre, Kesapuri, Majalgaon Dist. Beed on 6<sup>th</sup> August 2025**

As per the curriculum, department of zoology and fishery science has organized one day excursion at Maharashtra Fish Seed Production centre, Kesapuri, Majalgaon Dist. Beed on 6<sup>th</sup> August 2025. It is near about 90 kms away from Parbhani. This Fish Seed Production centre is well known in the vicinity due to its efficiency. It is spread in an area of about 12 acres and contains all types of fish ponds i.e., rearing, nursery and stocking with Chinese hatchery. This centre is run by Mr Iftekhar Khan.

In this tour total 38 students of UG along with Dr. H. S. Jagtap, (Prof. & Head, Deptt. of Zoology), Dr. S. D. Ahirrao (Prof., & Head, Deptt. of Fishery), Dr. S. M. Yeole (Associate Prof., Deptt. of Zoology), Miss P V Kadam (Asstt. Prof., UG Dept. of Zoology, CHB) and Mr. J. S. Rodge as Non-teaching staff were participated. We went there by private vehicles. Principal Dr. B. U. Jadhav and parents of some students were present at college to see off us.

We have started our journey at 8.00am and reached to the destination at 11am. As we have advance communication to the owner, his team was ready to demonstrate the functions of all types of ponds and Chinese hatchery. The demonstration was finished at around 2.30 pm, then with a short interval, his team showed the students netting of fish. Students enjoyed all the activities. After taking lunch break at the Fish seed Production Centre we moved towards the Majalgaon dam, constructed on Sindaphana river. Students observed and enjoyed the natural beauty of the dam. We started the return journey at around 5pm and safely reached at college at around 7.30pm.
