Shri Shivaji College, Parbhani

and

the District Skill Development, Employment and Entrepreneurship Guidance Center,
Parbhani,

jointly organized

Pandit Deendayal Upadhyay Rojgar Mela 2025

Date: 22nd July 2025

Time: 10:00 AM

Venue: Shri Shivaji Engineering and Management Campus, Vasmat Road, Parbhani

1. Introduction

Employment is one of the most significant factors for the growth and development of any society. In India, where youth form a large proportion of the population, the need for effective employment solutions is critical. Recognizing this need, Shri Shivaji College, Parbhani and the District Skill Development, Employment and Entrepreneurship Guidance Center, Parbhani, jointly organized the **Pandit Deendayal Upadhyay Rojgar Mela** on 22nd July 2025. The venue for the event was Shri Shivaji Engineering and Management College Campus, Parbhani, and the fair witnessed the participation of several reputed companies and enthusiastic job-seekers.

The job fair was aimed at providing a robust platform to connect educated unemployed youths with potential employers. This initiative comes under the employment mission that seeks to reduce unemployment by bringing industries and aspirants on a single platform.

2. Organizers and Collaborators

The employment fair was jointly conducted by:

- **District Skill Development, Employment and Entrepreneurship Guidance Center, Parbhani**
- **Shri Shivaji College, Parbhani**

3. Objective of the Employment Fair

The core objective of the Pandit Deendayal Upadhyay Rojgar Mela was to provide direct employment opportunities to the unemployed yet qualified youth of the Parbhani district. The job fair aimed to:

- Facilitate direct interaction between employers and job-seekers
- Bridge the gap between industry requirements and available talent

- Offer job openings in technical, non-technical, and skilled sectors
- Encourage students and pass-outs from rural and semi-urban regions to seek better career opportunities
- Support the economic growth of the district by reducing unemployment

4. Companies Participating in the Job Fair

5. Response from Job-Seekers

The response from candidates was overwhelming. Around **328 job seekers** attended the event, which indicates the success of outreach and the importance of such employment fairs in regional areas. Out of these, **78 qualified candidates were selected** for various roles offered by the participating companies. These candidates ranged from fresh graduates to experienced professionals and ITI pass-outs.

6. Selection and Screening Process

The selection process included:

- Registration and verification of candidate credentials
- Preliminary interviews and screening by company HR representatives

- Personal interviews and skill-based assessments (in some cases)

Candidates were shortlisted based on qualifications, communication skills, and suitability for the roles. Many companies offered on-the-spot selection and issued offer letters during the event.

7. Roles and Sectors Offered

The job roles spanned across multiple domains, including:

- **Banking & Finance:** Relationship Managers, Business Development Managers, and Insurance Agents
- **Technical & Engineering:** Service Engineers, Trainee Operators, and Electricians
- **Education & Training:** Center Managers and Faculty Electricians
- **Sales & Support:** Field Officers, Sales Assistants
- **Security Services:** Guards and support staff

This wide range of roles ensured inclusivity, catering to candidates from technical, non-technical, and vocational backgrounds.

8. Dignitaries and Organizing Team

The employment fair witnessed active involvement and support from dignitaries and faculty members:

- Dr. B. U. Jadhav, Principal Shri Shivaji College, Parbhani
- **Shri Anand Pathrikar**, Principal of Shivaji Engineering College, Parbhani
- **Prof. Shahid Tokya**, Vice Principal, Shivaji Polytechnique College
- **Mr. M. R. Shinde**, Employment Guidance Officer
- **Mr. P. K. Vibhute**, TPO, Shri Shivaji College, Parbhani

The Placement Cell, including Mr. Ankur Kadam, Mr. Rahul Kale, Mr. Sachin Chavan, Ms. Shilpa Bhatore, and Ms. Komal Anarse played a crucial role in coordination and execution.

Outcome and Impact

The successful selection of 78 unemployed youths highlights the effectiveness of the initiative. These selected individuals are now employed in sectors like banking, technical services, and education, significantly improving their socio-economic status.

The Pandit Deendayal Upadhyay Rojgar Mela, Parbhani 2025 was a highly successful and impactful employment initiative. It showcased the potential of regional youth and addressed the employment challenges by facilitating meaningful engagements between recruiters and job seekers.

By offering 328 vacancies and finalizing 78 employments, the fair not only supported individual career growth but also contributed to the economic development of Parbhani and its surroundings. The collaborative effort by the Government, local educational institutions,

and private companies stands as a model for future employment drives.

Founded by **Mr. Kiran Digrase**, The Kiran Academy is recognized as one of Pune's leading IT training organizations, specializing in **Java, .NET, Python, MEARN Full-Stack Development, Artificial Intelligence, Machine Learning, Software Testing, and AWS Cloud Technologies**. The academy not only imparts technical knowledge but also focuses on **resume building, mock interviews, corporate culture familiarization, and 100% placement support**.

The **IPAIP program** is designed to bridge the gap between academic learning and industry requirements, offering young aspirants a structured pathway into the IT sector. Students will undergo advanced training followed by direct participation in placement interviews with leading companies, ultimately receiving offer letters upon successful completion.

Speaking on the achievement, **Prof. Prashant Vibhute**, Training and Placement Officer of Shri Shivaji College, expressed pride in the students' success. He stated that the selection reflects the institution's commitment to nurturing talent and preparing students for emerging opportunities in the IT industry.

Parents and faculty members congratulated the students, noting that this success will serve as inspiration for the next batch of aspiring professionals.

With this milestone, Shri Shivaji College, Parbhani continues to strengthen its reputation as a hub of academic excellence and professional readiness, ensuring its students secure a bright future in India's growing IT sector.

Jointly organised

Workshop Report Title: Next Step IT: Career Opportunities & Profile Building

Date & Time: 09 February 2026, 11:00 AM

Venue: Shri Shivaji Auditorium – 02

The Department of Computer Science, in joint collaboration with the Training and Placement Cell, organized a one-day interactive workshop titled "**NEXT STEP IT: Career Opportunities & Profile Building**". The session aimed to guide undergraduate and postgraduate students on modern career pathways in the IT industry, resume crafting, skill enhancement, and professional profile optimization. The workshop was organized to provide students with awareness of career opportunities in the IT sector and to guide them on effective profile building for placements and professional growth.

Key Dignitaries:

- President: Principal Dr. B.U. Jadhav
- Chief Guests: Mr. Govind Chavan (Director, 2GBR Software Pvt. Ltd.) and Mr. Rushikesh Deshmukh (Technical Head)
- Guests of Honour: Dr. S.N. Keshatti, Dr. Rohidas Nitonde, Dr. U.B. Kitekar, Mr. P.K. Vibhute
- Dr. V.M. Pathak (HOD, Computer Science Dept.)

Program Details:

Resource speakers discussed current hiring trends, demand in the software industry, and emerging technical skills necessary for entry-level IT roles.

Guidance was provided on developing strong LinkedIn profiles, GitHub portfolios, and industry-standard resumes.

The session highlighted career streams across software development, data science, and IT consultancy.

Students engaged in a direct Q&A session with the guest speakers to resolve queries regarding campus placements, interview strategies, and higher education paths

Students gained insights into IT career paths such as project management and quality assurance. Practical guidance was shared on resume writing, skill development, and industry readiness. The workshop strengthened college–industry collaboration and enhanced placement preparedness.

The workshop was successfully conducted and achieved its objectives. It provided students with valuable exposure to industry practices and career-building strategies. The Training & Placement Cell acknowledges the contributions of dignitaries, speakers, and organizing members.
